

Frequently Asked Questions Envision Corporation

Can I pay my child's Power Saturdays and/or Academic Summer Enrichment Camp tuition online?
Not at this present time. However, we are working to offer this option in the future.

How can I obtain and submit an application?

Visit our website at www.envisionlearningcenter.org and download, print, and mail or fax your completed form. You can also pickup an application at the Roselawn facility between 3pm-6pm Mondays – Thursdays. If you are unable to pickup during these hours, you can call Envision Learning Center to schedule an appointment for a specific time.

Does Envision Corporation offer scholarships?

SES ([Supplemental Educational Services](#)) students, who have chosen Envision as their primary tutoring provider, are eligible for scholarships.

Is there tuition assistance available?

There isn't tuition assistance at this time. However, all students are eligible for discounted rates.

Do you have a pickup/drop off service for kids to get to Envision?

Currently, this service is only available for students in [Supplemental Educational Services](#). We are looking into extending this service to all students for an extra fee in the future.

What are the costs associated with the Power Saturdays and Academic Summer Enrichment Camp?

Due to the various services offered by Envision, please contact an Envision Representative at 513.772.KIDS (5437) to discuss the right package for your child. Costs can range from \$35 - \$1200 depending on the services selected.

Are there other Envision locations?

We are currently looking to open facilities in Mason and Forest Park. Our headquarter facility in located in Roselawn.

For the Academic Summer Enrichment Camp, does my child have to attend the full 8 weeks or can my child attend part-time?

The priority is given to full-time students. There are part-time openings for students, if there is availability. Otherwise, students are placed on a waiting list.
